JULY 1933
L. & G. BRANCH.

Sir,

With reference to your Memo No.L.3860/Ml., dated ~~xxxx~~ 21-11-32/3-12-32, re: the acquisition of property required for th extension of the Tumkur Town, I have the honor to state that only one Siddalingappa of Kurumkote, Koratagere Taluk, has put in an objection petition before the Sub Division Officer, Tumkur, on 6th January 1933, in response to the preliminary notification dated 3-12-32. His contention is that he has purchased out of S.No.102 proposed to be acquired, an extent of one acre of land for the construction of a hostel for the Veerasaiva students and that as such this extent may be left unacquired.

The Sub Division Officer who has heard the petitioner and recorded his statement reports that the Municipality wants to acquire the entire area for Town Extension, that he does not see any objection to the petitioner constructing a hostel in the place and that as such the President, Town Municipal Council Tumkur, may be requested to forego this area and acquire the remaining extent.

The President, Town Municipal Council, Tumkur, who was consulted in the matter, has written to say that the whole area of about 16 acres 10 guntas has to be acquired as per the ~~xxi~~ plan prepared by the Executive Engineer, Sanitary and Town Planning Division, Bangalore and approved of by the council and that as such Mr.Siddalingappa may apply for one or two sites for the construction of a hostel after the whole plot has been acquired. I think that Mr.Siddalingappa will be duly compensate

compensated along with others for the land now under his occupation and he may purchase whatever sites he considers desirable. Moreover it will interfere with the layout of the extension if the patch which he says he has bought is to be left intact. I therefore recommend that sanction of Government may kindly be obtained for the acquisition of the property in question authorising the Sub Division Officer, Tumkur Sub Division, to take order for acquisition under the Land Acquisition Regulation.

The estimated cost of acquisition viz., Rs.400/- per acre excluding the statutory allowance will be met out of the Municipal funds of the Tumkur Town Municipality as already reported.

The connected records together with the declaration statements are enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

Offg. Deputy Commissioner,
Tumkur District.
